

*Small suitcase* (inv. 00196)

Author: Anonymous

Place: Neurenberg

Period: 1550-1600

Material: Iron

Measurements: 10 x 15,5 x 9 cm

Origin: Purchased by Jean van Caloen

Description: Iron rectangular case resting on four ball feet. The four sides and the hinged lid are decorated with an engraved decoration. On the front and back are hares pursued by hounds, in the middle a decor of leaves, the whole bordered with an ornamental border of leaf ornaments. The sides show floral motifs each with a hound. The lid also shows the motif of a hare chased by hounds and further an iron handle, encased in two eyes, and a tiny lock plate.
