

(Holy) Bishop (inv. 00165)

Author: Anonymous
Place: Northern France
Period: 1300-1350
Material: Oak, polychromy
Measurements: 89 cm
Origin: Purchased by Jean van Caloen, coming from the church of Hesdin (near Abbeville)

Description: A stern-faced, full-length bishop. Over his able he wears a chasuble from under which his (lost) hands emerge. As a result, the chasuble in front shows a rhythmic play of V-shaped folds. The man has a short beard and curly hair. On the head he wears a mitre. The log is still clearly recognizable in the figure.
